**Senior Medical Director  
Des Moines, Iowa**

A publicly traded company that provides global financial services is seeking a Senior Medical Director. This company manages assets of \$282 billion, and was ranked 261st on Fortune magazine's list of the 500 largest US corporations. The company has been named one of the Fortune 100 best companies to work for during the past four consecutive years.

This company provides comprehensive employee benefit solutions including medical, dental, disability, life, vision, voluntary and wellness programs. They assist employers in administering programs and help employees understand benefits.

The Senior Medical Director will provide senior level leadership and direction for the utilization management programs, and will provide clinical leadership for utilization management functions, and establish and implement medical policies and preferred protocols. In addition, the Senior Medical Director will conduct medical research and evaluate new treatments, and implement guidelines and metrics to achieve business goals while maintaining clinical quality.

All inquiries will be held in the strictest of confidence. An extremely competitive compensation, benefits, and relocation package is available. If you know of anyone who may want to receive some additional information about this exciting opportunity, please have them call, contact or submit a resume in confidence to:
